

# Shop small. And safe.

Small Business Saturday® is our opportunity to make a difference in our communities, by supporting the small businesses that call our cities and towns, home.

This Small Business Saturday may look different from years past, but you can still make an impact, safely, by following guidelines outlined by the CDC.

So be part of the Shop Small Movement: Check out some of these great businesses and adhere to the recommendations listed below.

## Tips for Staying Safe:

- Wear a mask
- Maintain social distancing of at least six feet from others, when possible
- Carry hand sanitizer and use it after leaving the store
- Wash your hands with soap and water for at least 20 seconds after you get home
- Stay home if you feel sick
- Shop local businesses' online stores if possible
- Shop early/during slow hours to avoid last minute crowds (i.e. early in the morning or later at night)
- Use contact-less credit cards
- Only touch products you plan to purchase, if possible
- Use marked entry or exit points and follow any directional signs or floor markings designed to keep people at least 6 feet apart
- Shop alone or with smaller groups of people
- Shop at farmers markets, craft fairs or open-air markets, when possible
