Schedule of Benefits

This is a brief "Schedule of Benefits" which generally describes the Plan's benefits for Covered Services, and the cost-share(s) you must pay, and where services are usually received. Typically, your benefits and cost-shares are based on the setting in which Covered Services are received (e.g., in a doctor's office, at an outpatient hospital facility, etc.). Please see "Important Notices about Your Benefits and Cost-Shares" for additional information about how your Deductible and Out-of-Pocket works, and other important notices pertaining to your benefits, limits, or cost-shares.

Your Plan provides you with the option to lower your out-of-pocket costs for certain services by going to Site-of-Service Providers or Ambulatory Surgery Centers (Surgical Centers). These Providers may have lower cost-shares and Maximum Allowed Amounts, reducing your Out-of-Pocket costs for certain services. When you use the "Find a Doctor / Find Care" tool on www.anthem.com look for the "Site-of-Service (SOS)" indicator under the "Recognitions(/Tier)" link to the right of the Provider's name. You can use the "Recognitions" filter function to only select "Site-of-Service" Providers.
